■ Services

The **Nonprofit/NGO Development Center** provides training and advisory services for new, emerging and established nonprofit organizations/NGOs. Our two-day workshop prepares new and emerging organizations for success through a guided planning process. For established nonprofits/NGOs, we partner with governing boards and leadership teams to identify opportunities for improvement and to help refine their missions and operations.

ORGANIZATIONAL DEVELOPMENT WORKSHOP

This is an interactive two-day meeting for board members. The first half covers the key issues below. The second half involves forming working groups and putting pen to paper. Your team will leave with a framework for action going forward.

- Mission and vision definition
- Documenting need for services
- Systems and internal controls
- Program planning and prioritization
- Fundraising (public and private sources)
- Board development
- Public/private partnerships
- Policies and procedures
- Organizational and program budgeting
- Communications

Fee: \$900 plus travel expenses.

CONSULTING

We have broad organizational development experience. We can deliver customized services to address your organization's specific needs.

Fee: \$125 per hour plus travel expenses.
